EXPLANATORY NOTE.

In March 1947, the Inspector General of Prisons proposed the revision of the pay (i) of warder staff and petty officers so as to be on par with the pay of the constabulary and (ii) of Special Petty Officers because the scales of pay of constables and II grade warders and petty officers were more or less the same prior to 1-4-1946, that the duties devolving on the warder staff were not in any way less responsible and onerous than those of constables, that their hours of duty commence from 5.30 in the morning and end at 6.30 P.M. or 7 P.M. and again a few of them have to come for night duty in turn and that the warders of certain jails refused to take their pay on the ground that the revised scales sanctioned in February 1947 was inadequate. The Government therefore sanctioned the following revised scales of pay to the Jail subordinates mentioned below:

S.No.	Posts.	Scale sanctioned in G.O.No.78, Finance, dated 6-2-1947.	Revised scale sanctioned.

The extra cost involved is Rs.1,17,400/- per annum roundly. It is not possible to estimate the extra cost to be incurred in 1947-48, as it will take some time to arrive at a decision on the question of refixing the pay of the existing incumbents in the revised scales of pay. As the expenditure is on a new service, a token appropriation of Rs.100/- is included in the supplementary estimate. The balance of the amount required to meet the expenditure in the current year will be met either by reappropriation of funds or by obtaining a supplementary grant from the Legislature with reference to the savings under the grant which will be known only in February 1948.
